## Fuel Safety and Accessibility Act II

Be It Enacted by the People of the State of Oregon:

**SECTION 1.** (1) This act may be referred to as the "Fuel Safety and Accessibility Act."

(2) THIS MEASURE WOULD REPEAL THE RECENTLY PASSED "SELF-SERVE GAS" LAW, AND MAINTAIN THE PAST EXCEPTIONS FOR EMERGENCIES AND CERTAIN NON-RETAIL CUSTOMERS.

(3) The people of Oregon find that:

- (a) Persons with disabilities should enjoy full and equitable access to gas stations and other public accommodations; and
- (b) According to the American Automobile Association, gasoline prices before taxes have been notably lower in Oregon than in neighboring states even though those states have not mandated attended service; and the same holds true for New Jersey, currently the only attended service state; and
- (c) Since savings from eliminating attended service do not appear to result in savings for consumers, the effect of eliminating attended service is to provide a financial windfall to large oil and gas companies; and

(d) The Oregon Legislature erred by passing House Bill 2426 in 2023, which will have the effect of putting Oregonians out of work and making gas stations less accessible for persons with disabilities for the purpose of increasing oil company profits.

**SECTION 2. (1) Notwithstanding any section of ORS Chapter 480, an owner, operator or employee of a filling station, service**

station, garage or other dispensary where Class 1 flammable liquids, except aviation fuels, are dispensed at retail may not permit any person other than the owner, operator or employee to use or manipulate any pump, hose, pipe or other device for dispensing the liquids into the fuel tank of a motor vehicle or other retail container, except as provided in subsections 2 and 3 of this section.

(2) Class 1 flammable liquids may be dispensed:

- (a) By nonretail customers as described in ORS 480.345, and
- (a) During an emergency as provided for in ORS 480.347.

(3) Upon the request of an operator of a motorcycle, the owner, operator or employee of a filling station, service station, garage or other dispensary where Class 1 flammable liquids are dispensed at retail shall set the fuel dispensing device and hand the discharge nozzle to the operator of the motorcycle.

(a) An operator of a motorcycle who is handed a discharge nozzle under this subsection:

(A) May dispense Class 1 flammable liquids into the operator's motorcycle.

(B) Shall, after dispensing the liquids, return the discharge nozzle to the owner, operator or employee.

(b) The owner, operator or employee who is handed the discharge nozzle shall return the nozzle to the pump or take any other actions necessary to ensure safe completion of the fueling operation.

(c) As used in this subsection, "motorcycle" has the meaning given that term in ORS 801.365.

### Chief Petitioners

Dan Clay,  
Resident of Tigard, Oregon

Michael Selvaggio,  
Resident of West Linn, Oregon

**Warning!** It is against the law for you to sign another person's name under any circumstances, sign a petition more than one time or sign a petition when you are not qualified to sign it.

**Instructions** Only sign this petition if you are an active registered voter in Oregon and you personally printed this sheet or requested someone else print it for you.

- 1 You must sign your name as you did when you registered to vote.
- 2 You must print your name, residence address and fill in the date below. Only you may complete this information.
- 3 Signing below certifies that you have personally printed a copy of this sheet or requested a separate person print a copy so you may sign and that you request the text of this prospective initiative be forwarded to the Attorney General for preparation of a ballot title.

**Certification** I certify that I personally printed a copy of this sheet or requested a separate person print a copy so that I may sign it. I request the text of this prospective initiative be forwarded to the Attorney General for preparation of a ballot title.
