We Print

We will add a 0.25" white border around your artwork, to ensure fast and accurate printing.

We will also add our *union bug* so that your voters know you support union labor. *Have a preference on where? Let us know! Otherwise we'll add it where we think it looks best.*

In order to ensure we are able to help as many endorsed candidates as possible, please submit artwork at least 2 weeks in advance of the intended drop date. Please be prepared to pick up your finished pieces in a timely manner after printing.
